^{*}Plan F also has an option called a high deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2,180 deductible. Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed \$2,180. Outof-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy/certificate. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plans' separate foreign travel emergency deductible.

Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that don't result in an inpatient admission.
